LIMITAÇÕES E CONDIÇÕES:
(Limitations and Conditions:)

- I. The approval of this type design change should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the relationship between this change and any of those other previously approved modifications, including changes in Type Design, will introduce no adverse effect upon the airworthiness of that aircraft.
- II. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.
- III. Operation must be performed in accordance with the applicable EASA approved Airplane Flight Manual Supplement No. E-2041, Rev. 3, dated 02 Feb. 2015, or later approved revision.
- IV. Instructions for continued airworthiness, such as in, Installation Instruction and Instructions for Continued Airworthiness No. E-2043, Rev. 0, dated 21 June 2011 or later accepted revision, is required for this installation.
- V. A copy of this Certificate and the Supplement referred on item III above shall be maintained as part of the permanent records of the modified aircraft.
