

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SA03496AT

This certificate issued to Mt-propeller USA, Inc.
1180 Airport Terminal Drive
Deland, FL 32724

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product - Type Certificate Number : A10EU

Make : Aermacchi S.p.A

Model : F.260 Series

Description of Type Design Change:

Installation of Hydraulic Three-blade Constant Speed MT-Propeller Entwicklung GmbH Model No. MTV-9-B/188-50 propeller with appropriate model P-296-3 spinner on Aermacchi S.p.A F.260, F.260B, F.260C, F.260D, F.260E and F.260F aircraft models in accordance with MT-Propeller "Installation Instructions", Document No. E-1484, Revision Original Issue, dated 23 February, 2007, or Later FAA Approved revision.

Limitations and Conditions: "This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission."

(See continuation sheet 3 of 3)

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : May 21, 2007

Date reissued :

Date of issuance : September 13, 2007

Date amended :
